

PILOTAGE BILL PASSED IN HOUSE

But a Hard Fight Said to Await It in North Carolina Senate.

THE TEMPERANCE QUESTION

State Chairman Simmons Asked to Interpret the Democratic Platform.

(Special to The Times-Dispatch.)
RICHMOND, N. C., Feb. 17.—The House devoted the greater part of to-day's session to the discussion of the Graham bill for the regulation of the trial of capital cases, as it came over from yesterday's session, and finally passed it with an amendment that the State be allowed four challenges in making up the jury and the defendant twelve, the State not to be allowed to set any at the foot of the panel. The Wilmington pilotage bill came up as special order and was passed. There remains a hard fight for it in the Senate. If it becomes law, it will make Wilmington practically a free port.

In the Senate Mr. Webb introduced a bill authorizing issuance by the State of \$234,500 bonds for the permanent improvement of State hospitals for the insane.

COURT DAKOTA BONDS.
The Senate passed the resolution to appoint a committee of five, two senators and three representatives, to co-operate with the Governor in settling the South Dakota bond judgment and confer with the latter's brothers, holding other bonds of this class.

A bill was passed to allow county commissioners to make monthly publications of financial statements, instead of yearly. A call was issued by the United States Senator Simmons for a meeting of the Democratic State Advisory, Central and Executive Committees, to meet here on the night of February 21st, the call being in response to the demand of the nineteen members who met here last night and forwarded a demand for the meeting to Senator Simmons at Washington. However, they only asked for the Executive Committee to be convened, whereas the call is for all three committees.

ATTITUDE ON TEMPERANCE.
The object of the meeting is to put an interpretation on the clause of the Democratic platform declaring the attitude of the party to the temperance legislation. The hope of those who demanded the call is that the committee will interpret the plank to mean that the party will stand by the Wills law, as enacted two years ago, but will decline to endorse the Ward bill, which has already passed the State.

RAILROAD REGULATION.
The Hutchinson bill, which passed the House to-day, provides that railroad companies shall adjust and pay claims for freight charges in accordance with the regulations of the Corporation Commission within sixty days on shipments wholly within the State, and ninety days on shipments without the State, the penalty being \$50 fine, the aggrieved party to receive the fine.

The Marshall liquor fight was up again last night before the House Liquor Traffic Committee, and petitions for prohibition and for dispensary were presented. There were eighty-five signers to the dispensary petition and fifty-five to the prohibition petition. Examination showed that at least twenty-five of the signers were on both petitions.

The House Committee on Railroads considered yesterday the Lainghouse bill to fix railroad passenger fare at two and a half cents a mile and abolish second-class fare. After hearing arguments by prominent railroad men and others, the committee agreed that they would amend the bill by fixing the rate at three cents for first-class and two and a half cents for second-class fare, the Corporation Commission to have the fixing of fares for branch lines of railroad.

KILLED BY TRAIN.

Dr. Sharswood Seen With His Head Lying on the Rail.

(Special to The Times-Dispatch.)
WINSTON-SALEM, N. C., Feb. 17.—Dr. William Sharswood, aged seventy-five years, at one time a man of brilliant intellect, was struck and fatally injured this afternoon by the incoming passenger train from North Wilkesboro. The engineer says that Dr. Sharswood was lying on the guard rail of the trestle across Little Yadkin River, two miles west of Donahue. The train was making thirty-five miles an hour and on account of a sharp curve the engineer did not see him until the train was within a hundred yards of the man. Dr. Sharswood fell only a short distance, but he was picked up unconscious, one shoulder and hip being mashed. He was placed in a car and brought to the hospital here, where he died at 7 o'clock to-night. He was a native of Philadelphia, and is said to have been a nephew of the late Chief Justice Sharswood, an eminent jurist and author. He came to North Carolina twenty-five years ago. He was rather eccentric and could not be induced to relate his personal history to those who had known him from a prominent family, and that he had well to do relatives in Pennsylvania.

For several years he conducted with ability, a newspaper in Stokes county; since then he has been living alone in a small cabin in Surry county. Recently Dr. Sharswood announced that he contemplated the establishment of a North Carolina immigration office in Philadelphia. He has also been preparing for publication a work entitled "Facts Worth Knowing About North Carolina."

The railroad people refuse to believe that Dr. Sharswood laid down on the trestle with suicidal intent. The conductor expressed the opinion that the aged man thought the train would not strike him. He was carrying a bundle of newspapers and other periodicals of late date.

MAKE HIS OWN DEFENSE.

Young Risdon Sent to Penitentiary for Eighteen Months.

(Special to The Times-Dispatch.)
SALISBURY, N. C., Feb. 17.—The trial of J. C. Risdon, the young Philadelphia crook, charged with embezzlement perpetrated upon business concerns at China Grove, and also in this city a year ago, consumed the attention of the Superior Court here to-day. The evidence was conclusive, and conviction followed promptly.

Judge Bryan sentenced him to prison for eighteen months in the State penitentiary. Risdon made his own defense before the court.

Lower gallies, wears longer, Devoe.

NOW A FEW WORDS FROM THE REBATE CHECK CO.

We are placing before you the best proposition that you ever heard of. We have contracted with the above merchants to accept our Rebate Checks. In other words, we have been working for you to get you a discount when you pay cash; a saving of five per cent. on everything you buy, for which we only get one-half of one per cent. to pay for all the advertising, printing and all other expenses.

The merchants pay us nothing. We advise you where you can buy the cheapest and get a discount for cash, and you only pay us one-half a cent out of every five you save. In fact, you do not pay us that much if you will take advantage of some of the remarkable offers we have made. For instance, if you will open an account in the Savings Department of the American National Bank you can save 25 per cent. on the first deposit of one dollar by presenting 75 cents in silver and a 25 cent Rebate Check, and they will give you a pass book showing a credit to you of one dollar, and will loan you a small bank to take home with you, in which to deposit the pennies, nickels, dimes and dollars you save by using Rebate Checks. Then you can come upstairs to our office, No. 411 American National Bank Building, and present our cashier 75 cents in cash and a 25 cent Rebate Check, and he will give you a book that is worth ten dollars to you in discounts. (This last offer is only good for one week from date. Do not let your chance slip by.)

START TO SAVE TO-DAY.

The merchants listed above want your trade. The bank wants you to deposit your savings with them, and Rebate Checks are to induce you to save one cent on every twenty cents you spend.

REBATE CHECK CO.
